OJO's guide to playing his Extra Chilli slot

OK, so a deserted Mexican market isn't

gonna set the design world on fire, but Extra Chilli is one of many Big Time Gaming slots that comes loaded with feisty features, and that's the piñata OJO likes to smash.

To play our Extra Chilli game for real money, simply fire up the game from the OJO lobby and select your stake by toggling the left and right arrows to a number you're comfortable with. The bet per spin is the total amount, and you'll get that bet applied to every winline. Big!

Now you're ready to play. Hit the big green arrow to start your first spin. You'll come across a bunch of fresh features almost immediately, so let's start with the reely obvious Extra Chilli slot machine feature,

Megaways!

Megaways

The brainchild of some Big Time Gaming whizz, Megaways laughs in the face of fixed payline slots. Bites its thumb at them. Raises a withering eyebrow at...

OK, we stop. It's the daddy, is all.

A feature also used by our Bonanza online casino

game game, Megaways randomises the number of rows on each reel between 2 and 7, on every spin. In this way, Megaways slots get you mad variance and a crazy high number of ways to win. And just like Bonanza, you get up to 117,649 Ways to win, and it's fast become the game no online casino in the UK can do without. Although it may take a while to see a reel configuration that enables that kinda weird number, you should be OJOing things up with thousands of winlines soon after you start your sesh!

Extra Reel

Not content

with 6 reels and an \*OMG\* amount of rows, Big Time Gaming opened up their toolbag, plucked out an Extra Reel and superglued it to the bottom of the main reels. BOOYAA! Not only does it add another symbol to reels 2, 3, 4 and 5, but it's also the only place you can see those fizzin' firework Wilds.

#### Reactions

Symbol drops. Cascading

reels. Reactions. Call it what you like. Hit a win when you play Extra Chilli online and the symbols vanish and are replaced by the ones above. You might get another win, you might get a few!

#### Free Spins

Extra Chilli Free Spins is where it's at, broseph. Not just spins, but a bit of wheel action too (and you know how OJO loves a wheel!). Hit 3 Scatters in a regular spin and you'll bag yourself 8 Free Spins. Every extra Scatter adds 4 more Free Spins.

Ready to rumble? Hold your horses, Tonto. First you gotta choose to stick or twist with the Extra Chilli Free Spins Gamble feature. You can either collect the number of Free Spins you were awarded in the base game, or spin the wheel where you'll either scoop 4 more or say adios to the ones you had. May not sound like a great deal but apparently the Extra Chilli slot rules say spinning the wheel is theoretically the best Extra Chilli slot strategy. But we're talking razor-thin margins here, so OJO says just do what feels right.

Once you're into the Free Spins bonus game, the fun starts. For every winning symbol combo, a multiplier cranks up by 1. With all those paylines, it's not unusual to go from 1x to 3x to 5x in a jiffy, and there's no limit to how high the multiplier can go. The Extra Reel also helps to keep the party going with 3 or 4 special Free Spin Scatters awarding 4 or 8 more Free Spins. DING-A-LING! Here comes the money train.

#### Feature Drop

You've got a date, you're on the bus and you'll be there in 8 mins. Enough time to Scatter your way to Free Spin glory? EEEEEK! No worries, you can buy your way into the Extra Chilli bonus game with the Feature Drop. That little panel on the right tells you how much it'll cost ya for 8 Free Spins at any given time. The price is usually about £10 (at 20p per spin) but drop symbols can appear during regular spins that bring down the price. Once the price drops to zero, the game automatically fires up 8 Free Spins game and you're in the market for an Extra Chilli big win. Who's payin' for Nandos now, baby?!

#### Wilds

Aside from always

being lit but a trained expert, and always watched from a safe distance, Extra Chilli Wild symbols do exactly what they were born to do – be whatever you want them to be! Except Scatters. They will not pretend to be Scatters ever. Remember, they only appear on the Extra Reel, so don't go getting all sad if you don't see any on the main reels, chief!

Is Extra Chilli mobile slot too hot to handle?

Yes. No other words needed. We

don't want your phone to melt, so OJO recommends you wear gloves! Play it on landscape. Play it on portrait. It doesn't matter, coz the Extra Chilli mobile slot is fast, smooth and easy to use. Even OJO's clumsy fingers can play it! And thus ends our Extra Chilli slot game review. Almost....
