Origins

Different forms of football have existed for centuries.

(For more on the development of football sports, see football.

) In Britain, football games may have been played as early as the time of Roman occupation in the 1st century bce.

During the 14th and 15th centuries ce, Shrove Tuesday football matches became annual traditions in local communities, and many of these games continued well into the 19th century. These localized versions of folk football (a violent sport distinctive for its large teams and lack of rules) gradually found favour within the English public (independent) schools, where they were modified and adapted into one of two forms: a dribbling game, played primarily with the feet, that was promoted at Eton and Harrow, and a handling game favoured by Rugby, Marlborough, and Cheltenham.

Game playing, particularly football, was encouraged at Rugby School by influential headmaster Thomas Arnold (1828–42), and many boys educated at this time were instrumental in the expansion of the game.

Rugby football soon became one of the most significant sports in the promotion of English and, later, British imperial manliness.

The game's virtues were promoted by books such as Thomas Hughes's *Tom Brown's School Days* (1857).

The cult of manliness that resulted centred on the public schools and the Universities of Oxford and Cambridge, where boys were sent to learn how to become young gentlemen.

Part of the schoolboy's training was a commitment to arduous physical activity, and, by the late 19th century, rugby and cricket had become the leading sports that developed the "civilized" manly behaviour of the elite.

It was believed that rugby football instilled in the "muscular Christian" gentleman the values of unselfishness, fearlessness, teamwork, and self-control.

Graduates of these public schools and of Oxford and Cambridge formed the first football clubs, which led to the institutionalization of rugby.

Britannica Quiz Sports Quiz

Once they had left school, many young men wanted to continue playing the game of their youth,

and the early annual matches between alumni and current senior students were not enough to satisfy these players.

Football clubs were formed in the mid-19th century, with one of the very first rugby clubs appearing at Blackheath in 1858.

Rugby enthusiasm also spread rapidly to Ireland and Scotland, with a club founded at the University of Dublin in 1854 and the formation by the Old Boys of Edinburgh of the Edinburgh Academicals Rugby Football Club in 1858.

In 1863 the tradition of club matches began in England with Blackheath playing Richmond.

Representatives of several leading football clubs met in 1863 to try to devise a common set of rules for football.

Disputes arose over handling the ball and "hacking," the term given to the tactics of tripping an opponent and kicking his shins.

Both handling and hacking were allowed under rugby's rules but disallowed in other forms of football. Led by F.W.

Campbell of Blackheath, the rugby men refused to budge over hacking, calling those against the practice "unmanly.

" Though Campbell's group was in the minority, it refused to agree to the rules established for the new Football Association (FA) even though many elements of rugby rules were included in early compromises.

Ultimately, rugby was left outside the FA.

Despite the initial reluctance to abandon hacking, rugby clubs began to abolish the practice during the late 1860s.

Blackheath banned it in 1865, and Richmond supported a similar prohibition in 1866.

Rugby received bad publicity after a Richmond player was killed in a practice match in 1871, prompting leading clubs to respond to Richmond and Blackheath's call for an organizational meeting.

Thus, in 1871 members of leading rugby clubs met to form the Rugby Football Union (RFU), which became the governing body for the sport.

By this time, hacking had largely disappeared from club rugby, though it remained a part of the game's "character building" qualities at Rugby School.

As a result of its continued adherence to the practice, Rugby School did not join the RFU until 1890.

### Los seis jugadores de Manchester City que pueden ganar su sexto título de la Premier League con Pep Guardiola

Ganar la 3 confianza incondicional de Pep Guardiola no es un negocio fácil, a pesar de las constantes vitrinas del trofeo en el 3 Estadio Ciudad de Mánchester. A pesar de la afluencia de jugadores decorados que han venido y se han ido, seis 3 tienen la oportunidad de asegurar su sexto título de la Premier League junto a Guardiola el domingo por la tarde.

Ederson, 3 Kyle Walker, John Stones, Kevin De Bruyne, Bernardo Silva y Phil Foden han establecido el tono para gran parte del 3 éxito del club. Una victoria sobre el West Ham garantizará a cada uno una sexta medalla de campeón, equiparándolos con 3 David Beckham y Phil Neville. De Bruyne ya era un titular habitual del primer equipo cuando Guardiola llegó a Manchester 3 en 2024, mientras que Foden estaba haciendo camino en la academia. Los otros cuatro fueron seleccionados cuidadosamente por la jerarquía 3 del club y Guardiola.

#### La experiencia y la calidad cuentan

En el crucial partido del martes en Tottenham, cinco de los seis 3 comenzaron. Han estado allí, lo han hecho y han lucido camisetas con la palabra "Campeones". Su experiencia cuenta tanto como 3 su calidad, sabiendo cómo superar momentos difíciles. De Bruyne dio un paso al frente en el momento crucial para brindar 3 la carrera que Silva sabía instintivamente antes de cruzar a Erling Haaland para el abridor, el noruego, como todos sus 3 colegas, sabiendo exactamente dónde terminaría.

Guardiola no ha mantenido a estos seis por accidente, es porque se han demostrado los mejores 3 en adaptarse a las demandas cambiantes en la ciudad, marcando el tono a medida que lo hacen. El gerente sabe 3 que la necesidad continua de evolucionar es importante para mantenerse por delante de los oponentes. Walker ha sido requerido para 3 jugar como un marauder arriba y abajo por la banda, alguien que se mueve a medio campo y, lo más 3 importante, la defensa más rápida.

#### Foden, el más moldeable de los cargos de Guardiola

Foden siempre fue probable que fuera el más 3 moldeable de los cargos de Guardiola y, como un chico de Stockport, puede ofrecer una perspectiva diferente. Los equipos de 3 Guardiola siempre han tenido un sabor local, pero en la ciudad hay pocas opciones en las filas. Después de hacer 3 su debut a los 16 años, City ha trabajado incansablemente con Foden para dar forma al jugador que su talento 3 exige, recogiendo una avalancha de trofeos y premios individuales por el camino para dar a otros algo a lo que 3 aspirar. Es casi seguro que Foden superará a Guardiola y a los otros cinco, lo que traerá una mayor responsabilidad, 3 pero lo disfruta.

De Bruyne dice: "La persona más importante es Pep. El equipo siempre asume la responsabilidad porque hay momentos 3 en los que Pep no puede ayudarnos y tenemos que hacerlo en la cancha. Él creó este equipo y el 3 equipo responde a él. Funciona juntos."

Adaptarse para prosperar es la clave del éxito de City. Si triunfan el domingo, habrá 3 seis jugadores, ganando sus sextos títulos para convertirse en el sexto más exitoso en la historia de la Premier League. 3 Un caso de mejorar los azules que conoces para Guardiola.
